1. Teach My people to pray—that is your first and foremost instruction to you. You are a ministry of freedom but freedom comes only from time with Me, where people open to Me and share with Me and pour out to Me, trusting Me, and Ted, listening to Me.

2. Dialogue is the dispensation you are in—dialogue, dialogue, dialogue—not monologue and monolithic, one-dimensional arrays of communication but dialogue and multi-lithic and multi-dimensional arrays of communication I desire and make available to all.

3. I have My vocabulary and My people and My communication methods to connect and direct and teach and protect and provide and promote those, those, those who will sit at my feet and receive of Me—instruction, impartation, activation, energy and fuel.

4. Oh Ted, magnificent are My Mine who will come and listen to Me. Help them listen to Me and listen to you I will—many—who will then listen to Me more.

5. Prayer is your priority and all of My words of love and freedom and revelation come out of our time together.

6. Prayer, prayer—dialogue with Me—dialogue—speaking and listening and knowing when to do what.

7. Become My prayer leader—bringing all, into My chambers, where we dialogue together.

8. Prayer, schools, intimacy, commandments light, but pervasive. I am and where I am is light. Where I am is freedom. I do not reside in darkness and control. I liberate.

9. Prayer, prayer, prayer.
10. Dialogue, focus, importance.
11. Priority, goal, objective, mission.
12. Encompassing, overarching, undergirding, permeating.

13. Ted, smile, enjoy, defend your joy and attack not the sources of visible concerns—but invisible—real, propelling, and that Ted, is done only in Me.

14. My people who come to Me must come open and speak and listen to mature—obedience by obedience, word by word, revelation by revelation, elevation by elevation—mercy and newness every single day.

15. Open your schools, seekers satisfy, hungry nurtured.
Oh innovation and powerful networks of My Spirit.

16. Stand and speak and be not afraid of any apparent circumstances.
I am your shield and buckler and Ted, your provider.

17. Pray, pray, pray. Into My chambers with Me, casting all your cares in Me—and Me whispering My love, My concerns, My cares—My correction, My tenderness.
